STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 03/19/2022 while exercising my duties as a law enforcement
officer in the Eastern District of WA

Pursuant to 16USC 551: I was in the Salmon La Sac area in a law enforcement uniform and marked agency vehicle. LEO Goninan was working in plain clothes and unmarked vehicle. We were investigating reports of unpermitted commercial activity involving Cascade Playtime. We've worked several cases involving Cascade Playtime, the owner Shawn Parker, and his employees. Mr. Parker has been cited previously for conducting business without a special use authorization as well as state law violations. At the French Cabin SnoPark I observed a truck, trailer, and snowmobiles I recognized as Cascade Playtime equipment. I took photos of the equipment. I observed a male and female near the snowmobiles and spoke with them. The individuals said they rented the snowmobiles from Cascade Playtime. They showed up at 09:00 and the truck, trailer, and snowmobiles were already at the SnoPark. The individuals described a young male and an older male with an accent that delivered the snowmobiles and showed them how to use them. They were instructed to leave the snowmobiles near the trailhead and Cascade Playtime would pick them up. The couple wanted to remain anonymous. About an hour later LEO Goninan said he observed two males loading the Cascade Playtime snowmobiles onto a trailer. LEO Goninan described the individuals and vehicles. A few moments later I saw vehicles and individuals matching that description and waived them to pull over into a parking area. I contacted them, identified myself, and conducted a recorded interview. One of the individuals was Mr. Parker's son, Broc Parker, and the other is a part time employee of Cascade Playtime. Both denied conducting commercial activity. I told them they were free to go and I would contact Mr. Parker. I contacted Mr. Parker at Cascade Playtime and conducted an interview recorded on my department issued body worn camera. Mr. Parker denied any wrongdoing. I confirmed with the special use administrator that Mr. Parker does not have a special use permit. Mr. Parker and his sons were previously advised of the rules related to conducting business on NFS managed land. Mr. Parker and his son Broc were issued citations for conducting work activity without a special use authorization under 36 CFR 261.10(c) and for use or occupancy of NFS land without special use authorization when required under 36 CFR 261.10(k).

The foregoing statement is based upon:
